Subject: Trade Mark "DIGITAL MIS"

Dear Sir

Please be informed that, your application for the registration of Trade Mark has been allotted with an Application Number, the details of which are mentioned herewith.

S.NO.	TRADE MARK	CLASS	APPLICATION NUMBER
1.	DIGITAL MIS	42	2867776

The Application Number is allotted by the Trade Marks Registry to your application and the same is necessary to be quoted in all future correspondences in regards to the particular application. Your Trade Mark can now be presented with a denotation of TM.

However, marks applied for Registration from service sector, can also be presented with the denotation of SM

Also, please note that the application number issued should not be mistaken for acceptance or registration of the Trade Mark. Kindly note that the use of the word "Registered" or letter "R" in circle till the mark gets registered is not permitted by law.

Your prompt response is solicited during the further process to comply with the requisites / documentation before the statutory authorities.

In case of receipt of any correspondence from the Trade Marks Registry, or for any assistance, please feel free to contact on 022-40414041

Yours truly,

IPR Law Associates (Chennai)
